

*Reasons to Live*

the smell before  
the antagonized rain.

july sunsets  
that shine through  
your bedroom curtains.

the chills  
that run down your spine  
when you hear your favorite  
song live for the first time.

candles surrounding  
a warm bubble bath  
in december.

screaming at the top  
of your lungs  
on a large hill.

laughter that leads  
to tears streaming down  
your rosy cheeks.

your laugh.

your eyes.

*you.*
